# NEW HAVEN COUNTY USBC ASSOCIATION

## PRESIDENT'S REPORT

Hello again.

I would like to welcome you all, new and returning bowlers, to the New Haven County USBC Association. This is the first time that we will be offering the Yearbook online, along with limited printed copies in each bowling center.

All of the information in this book is collected from league secretaries, including sanction applications, awards submitted and final averages. As a league secretary, you are asked to serve your league bowlers per USBC standards throughout the season. If you need assistance, have a question, or would like any board member to attend your league meetings, please contact your lane representative. A listing of lane representatives can be found in this yearbook. You may also call the office at (203) 934-5299. If you leave a message, your call will be returned.

The Board of Directors of the NHCUSBC is here for advice if needed and we will try to answer any questions you may have about bowling and USBC rules. In order to assist with your league rules, please submit a copy of your league rules with your sanction application. We have a committee in place to review these rules for USBC compliance, and to help if any issues should arise during the bowling season.

Your USBC sanction entitles you to league bonding and rule compliance. It also entitles each individual bowler to certain score recognition, award programs, a certified average, and eligibility to participate in local, state and national tournaments. This is a transition year for the USBC awards program, and we are happy to announce that the New Haven County USBC will be introducing a new LOCAL awards program to ensure that our bowlers are recognized for their achievements.

We, the New Haven County USBC Association, thank you for allowing us to serve you.

Betty Amato

Association President
