We were unable to include an average in this directory for anyone who did not have an application card submitted by his/her league secretary. If anyone thinks that their name and average for a minimum of 21 games should have been included in this directory, I urge them to give their name, address, league name and facts to any member of the Board of Directors, or mail the information to the Association office at 27 New Street, West Haven, CT 06516.

NEW HAVEN COUNTY USBC INC. accepts no responsibility for errors in this book, but makes it the individual bowler's responsibility to verify the average and use the correct average in case the average has been listed incorrectly or omitted. Some junior averages are combined in with the adults, but a complete junior average section is separate from the adult leagues as well.
