NEW HAVEN COUNTY USBC ASSOCIATION

President's Report

Hello All,

Well, another year has come to an end and now we prepare for the start of a new one.

This past year we have seen changes to most of our bowling centers with the takeover by Bowl New England and Bowlmor AMF, with the exception of privately owned centers. The changes have resulted in some centers opening later and closing earlier, which have affected many senior and youth leagues. Some centers have made concessions and are opening early on certain days to accommodate their leagues. The takeover has also affected the appearance of some the centers. These changes may affect the times we bowl, the days we bowl and the leagues we bowl in, but it will not stop us from enjoying the competition, joining the people we enjoy being with, or the love of the sport.

Our new awards program has been put into action, but as always the awards program success depends on the diligence of the league secretaries. A workshop was held in March to bring information to league officers and to alert them to any changes instituted by USBC. There was also a question and answer period that was very productive for the league officers that attended.

As always it is the responsibility of the league secretary to service his/her bowlers with answers to bowling question, clarification of rules and receiving his/her awards. We, your local board are always ready to assist if needed, but again we ask that league rules accompany the league certification, so we may be prepared when called on to do so.

Having said enough, I welcome you back to winter/summer league bowling and to extend to you good luck and good bowling for the coming season.

Betty Amato, President
New Haven County USBC Association
